Accessories pag. 61

Automated electronic well pumps

APPLICATIONS

- Pumping for wells, tanks, rainwater recovery
- Domestic applications (watering, small irrigation, rainwater recovery)

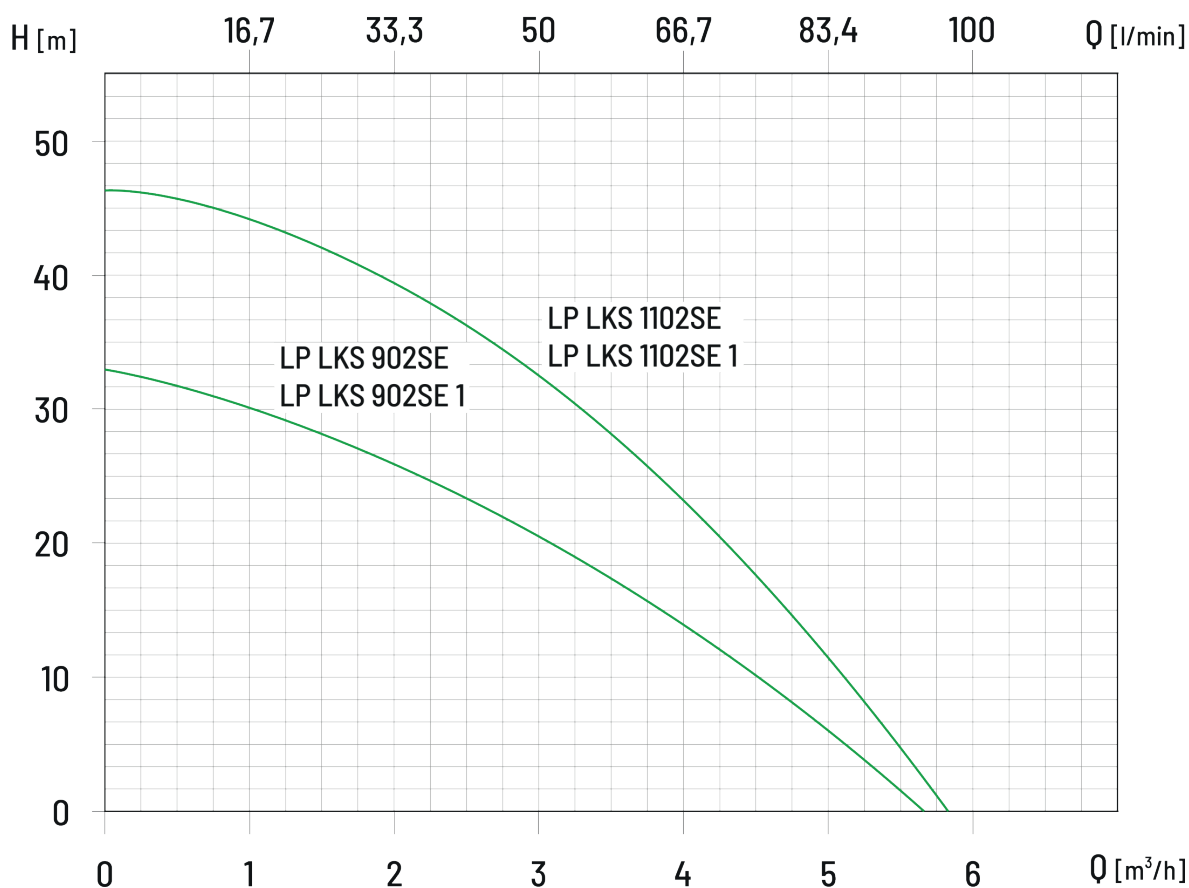

MATERIALS

External jacket	AISI 304
Impellers	Noryl
Diffuser	Noryl
Guide sleeve	polypropylene
Handle	polypropylene

TECHNICAL FEATURES

Max. Head	45m
Max. Flow	5,5m ³ /h
Max. liquid temperature	35°C
Discharge head	1"
Max. depth immersion	12m
Insulation class	F
Poles	2
Protection degree	IPX8
